

School Supplies Needed: You do not need to label any of their supplies because they will be shared by all and used as needed. Please do make sure to label all personal items (coats, backpacks, etc.) that will come into the classroom over the year.

1 package of paper towels

2 large containers of Clorox or Lysol Wipes

1 box of Kleenex

1 box of Ziplocs (small or big)

1 standard size backpack (big enough for a folder to fit easily inside, children get easily frustrated when they can't easily get their folder to fit inside.)

1 package markers (the small Pip-Squeaks by Crayola are great for small preschool hands!)

1 package box of crayons

6 glue sticks (I accidently forgot this on the original supply list but will remind parents at the student's individual conference.)

Thank you so much!
